5th Grade News

Congratulations to the following scholars for being recognized for the character trait of SOAR at our first block meeting: **Sheth, Rebecca, Jaeon, Ryan, T'Nia, Jaeda, Aniyah, and D'Meiko**. The entire fifth grade is proud of you! We are looking forward to our next block meeting, where we will recognize scholars that exhibit the **character trait of self-control for the month of October**.

Scholars should be **prepared with materials everyday** including **agenda books and pencils**. Please check-in with your child to ensure they are prepared with these times daily.

It's **BOX TOP** Time!! Ask your friends and family members to help our school by clipping and collecting box tops. You can collect the box tops from family and friends and paste them to the box top sheet provided by the school. The **deadline to submit Box Tops is October 18, 2017**.

A Message from Ms. Alexander

Greetings Parents,

All scholars have been assigned a Reader's Notebook in which they practice skills daily and complete classwork. Scholars will keep this notebook in class for safe keeping and daily access.

Spelling tests, weekly assessments, and graded home practice will come home in the scholars' purple take home folders.

The weekly assessment and spelling test will be on Friday October 13th.

A Message from Mrs. Fearn

Greetings Parents,

Fifth grade scholars will have an assessment in math on this Friday October 13th. The assessment will cover place value, and decimals as equal divisions.

They will practice and study with the home practice questions in this week's practice packet.

As always thanks for all that you do to help our scholars SOAR!!
