

Principal's Corner

Welcome to the 4th week of school! We are so excited to see the school year taking shape with our scholars and having your support. This week you will start receiving weekly newsletters from elementary teachers about the major learning and the events taking place in the classroom. Middle School parents expect to see a monthly newsletter. All teachers are diving into the content learning and you can follow along with the syllabus provided to you at Back to School Night. Students should be working on homework nightly that provides extra practice on major content. Send an email to your child's teacher if you have any questions and don't forget to sign and return the Take Home Tuesday folder to your child's teacher on Wednesday.

Best,

Principal Johnson
