

Morningside Weekly Newsletter Template

Grade: 1

Reading	Math
The scholars will be reading the story The Storm. The strategies and skills we will be practicing are retelling, using text and illustrations to describe characters and settings and identifying key details to support the main idea of the story. We will be reviewing high frequency words and short a and short i. During our writing time we will be working on narratives through pictures and short sentences.	
Social Studies	Science
We are beginning a unit on community workers.	

Character Updates: The children will be learning and practicing JIF this week.

Important News: Please let the “Grand” people in your family know about our Grand Heritage day.

Upcoming Activities:
